

PROVIDER ALERT

September 2, 2010

Updating Provider Information

Provider Information in the state's system, MMIS II, must be accurate and up to date.

To update provider information including, but not limited to, Tax Identification number, NPI, address for service locations, "pay to address", please contact DHMH Provider Enrollment, 410-767-5340, or you may contact Earl Tucker, Supervisor of the Division of Dental, Clinics and Laboratory Services at 410-767-4078."

Please Note:

- Community based providers, such as OMHC, PRP and Mobile Treatment providers, must receive approval from the Office of Health Care Quality, prior to changing or adding a service location.
- Adding a service location requires a new application and new NPI number.
- Some changes, e.g. Tax Identification Number, may require a new application.
