

PROVIDER ALERT

WEBINAR UPDATE--PROVIDERCONNECT CHANGES FOR DSM-5 IMPLMENTATION

Webinar for Monday, June 23, 2014 11:00—Noon is full.

JUNE 18, 2014

ValueOptions will be modifying the diagnosis tab within ProviderConnect in order to accommodate the transition to DSM-5. Beginning at 12:01 AM on June 28, 2014, all new requests for authorizations need to be made using DSM-5 diagnoses. ValueOptions Maryland will be holding three webinars to explain the changes affecting the ProviderConnect system as we move to DSM-5 for authorization requests.

The webinar scheduled for: Monday, June 23, 2014 11:00—Noon.

is full and we cannot accept any additional providers.

Providers can still register for:

Monday, June 23, 2014 3:00—4:00p.m.

Tuesday, June 24, 2014 3:00—4:00p.m.

Please see the Provider Alerts dated May 23, 2014 or June 9, 2014 that are available on the ValueOptions Maryland website at:
