PROVIDER ALERT

PSYCHIATRIC REHABILITATION PROGRAM (PRP) AUTHORIZATION REQUEST SCHEDULE

January 15, 2016

In order to ease administration of concurrent authorization requests for PRP services, Beacon Health Options requests providers stagger their concurrent authorization requests as noted below:

The Continued (Concurrent) PRP Auth Requests for Providers who's Provider Name Starts:	Are Due Each Month On	
A through E	The First Week (the 1st to 7th)	
F through M	The Second Week (the 8th to 14th)	
N through T	The Third Week (the 15th to 21st)	
U through Z	The Forth Week (the 22nd to 28th)	

This change is to be effective March 1, 2016. The review volume has been spread out across the month to assure a timely response from Beacon Health Options with their authorization determinations.
