

PROVIDER ALERT

MARYLAND MEDICAID WEBSITE SURVEY

JULY 27, 2016

Maryland Medicaid is in the process of updating its [website](#). We're conducting survey research about the diverse stakeholders who use our site to determine the best way to structure information in the future.

As a Medicaid stakeholder, we would appreciate if you could take five minutes to complete [this survey](#). Your feedback will help us learn more about how you use our site, and how we can make it better for the participants, providers, researchers, advocates, and staff who use it.

As the survey is designed to capture the needs of our diverse stakeholder audience, we also encourage you to distribute it to anyone who you know uses our site--be they participants, providers, researchers, advocates, or staff. **The survey is open from now until August 5** and is anonymous. You will have the option to provide your email contact information if you'd like to participate in future testing phases.

If you have any questions about the survey, or about Medicaid's website in general, please email molly.marra@maryland.gov or maureen.regan@maryland.gov.

We thank you in advance for your participation!
