PROVIDER ALERT

SUBSTANCE USE DISORDER DATA DICTIONARY

APRIL 28, 2016

Beacon Health Options is pleased to announce that the SUD data dictionary is now uploaded to our website and can be found here: http://maryland.valueoptions.com/provider/prv_info.html at the bottom of the page under "Provider Resources".

A copy of the data dictionary is attached here for your convenience

http://maryland.valueoptions.com/provider/resources/Substance-Use-Data-Dictionary.pdf

The SUD data dictionary provides definitions and details for the different items and response options present in the authorization request/data entry workflow of Provider Connect. The data dictionary also includes useful information about navigating the Provider Connect system when making an authorization request or entering data as required for the SUD grant based services.

Any questions, please email: marylandproviderrelations@beaconhealthoptions.com
