

## **PROVIDER ALERT**

### **BALANCING INCENTIVE PROGRAM DLA-20 DATAMART ACCESS**

**FEBRUARY 2, 2018**

**Applicable to Adult Mental Health Providers that are approved or licensed as Assertive Community Treatment (ACT) Programs, Mobile Treatment Services (MTS) Programs, Psychiatric Rehabilitation Programs (PRPs), and/or Residential Rehabilitation Programs (RRPs).**

The DLA-20 DataMart will be enhanced to include change over time data on January 29, 2018. Core Service Agencies, Local Behavioral Health Authorities and Adult Mental Health Providers (who provide ACT, MTS, PRP and RRP services) will have access to the DataMart. All approved users will have access to aggregate statewide and county level data by type of service.

Core Service Agencies and Local Behavioral Health Authorities will have access to:

1. Aggregate jurisdictional data based on Adult Mental Health Providers delivering services in the jurisdiction by type of service
2. Provider aggregate data for locations in the jurisdiction by type of service
3. Member data for those individuals being served in the jurisdiction by type of service

## PROVIDER ALERT

Adult Mental Health Providers will have access to:

1. Member data for those individuals being served by the provider
2. Aggregate data by location by type of service

Training will be provided on how to access the DLA-20 DataMart and navigate the system on:
