

## PROVIDER ALERT

### USING YOUR OMS DATA

APRIL 5, 2018

---

The Behavioral Health Administration (BHA) and the Systems Evaluation Center (SEC) at the University of Maryland, in conjunction with Beacon Health Options (BHO), have been conducting a series of webinars to assist behavioral health providers in accessing and using Outcomes Measurement System (OMS) data. This webinar, the second in the continuing series "Using your OMS Data" that began last fall, will offer additional ways to present and compare OMS Datamart information in analyzing changes that could aid in evaluation and continuous quality improvement activities.

The same webinar will be presented on two different dates. Please click on the appropriate link below if you wish to register for either presentation:

Tuesday, May 15, 2018 from 1:00 p.m. to 3 p.m.

To register for this training session click here:
