

PROVIDER ALERT

Providing Tenancy Supports for People with Disabilities

June 15, 2021

Target Audience: All Providers

The Maryland Department of Health and the Maryland Department of Disabilities would like to share the following [Tenant Contractor Solicitation](#). This Request for Proposal is being issued to secure a service provider with case management acumen who will provide tailored housing transitional services. The services are intended to see a tenant through the process of moving into their new communities. Please review and share with your networks.
