Clinical Services Division (Adults and Older Adults) Presents a Webinar on:

Increasing Access to COVID-19 Vaccines for Service Recipients Within the PBHS: Lessons from Baltimore City Providers

Participants will learn how Johns Hopkins Bayview Medical Center and Chase Brexton Health Services are reaching public behavioral health system (PBHS) consumers. These two providers have the highest uptake rate among service recipients who are serving more than 500 PBHS consumers. As of August 22, the percentage of fully vaccinated individuals for Johns Hopkins Bayview Medical Center was 56% and for Chase Brexton Health Services was 60%.
